

Should you be without one?

Equipment

Our Satellite Phones come in a **soft compact bag** (similar to a camera bag) for protection from the elements and also to protect you in the event of a car accident should the bag become dislodged.

What's in the bag

- 1 Motorola Satellite phone with standard antenna.
- 2 battery chargers, 12v and 240 mains.
- 1 aux external magnetic mount antenna.
- 1 adapter for external antenna.
- 1 guide on how to operate the phone.

Call Charges

Call costs are charged in 30-second blocks with a 40¢ flag fall.

MessageBank is free to activate and should be asked for at commencement of hire
